

ABOUT THE 1882 SOCIETY

Early-to-mid-career professionals are invited to join the 1882 Society at the Milwaukee Public Museum (MPM). The 1882 Society provides exclusive opportunities for philanthropic-minded young professionals to engage with MPM and its leaders through educational and social events, while supporting the Museum's mission to preserve and protect our world's natural and cultural diversity.

Founded in 2018 by Ethan Elser, Sr., Robert A. Jansen, and Charles F. Wright, Jr., the 1882 Society shares its name with the year MPM was officially chartered.
